SANSUI AUTHORIZED INTERNATIONAL SERVICE CENTERS

1 CENTRES DE SERVICE INTERNATIONAUX SANSUI AGREES

Sansui Authorized International Service Centers provide free service and repair of Sansui products under the terms of the Sansui Limited International Warranty. This list is subject to change without notice; it is recommended that you check with your nearest service center before requesting in-Warranty service. If you are using your Sansui product in the part of the world where you purchased it, please use the Local, not the International warranty when requesting service through your Sansui dealer.

LIST AS OF OCT. 1, 1980

Les Centres de service internationaux SANSUI agréés assurent gratuitement service et réparation des matériels SANSUI suivant les conditions de la garantie internationale de SANSUI Ltd. La liste de ces Centres peut etre modifiée sans préavis; nous vous conseillons de prendre contact avec le centre de service le plus proche de chez vous avant de faire appel à cette garantie. Si vous utilisez votre matériel SANSUI dans le pays où vous l'avez acheté, soyez aimable de faire valoir votre garantie nationale (et non votre garantie internationale) au cas où vous souhaiteriez l'intervention de votre revendeur SANSUI.
